

## Presentation of the conclusions of the international expert's meeting on the **HUMAN RIGHT TO WATER**

*"Almost 900 million people lack access to safe drinking water and 2.5 billion — 40% of the world's population — have no access to improved sanitation. Failing to ensure access to water and sanitation has immense human costs, both in social and economic terms".*

**Monday 19 October 2009**

Start Time: **5:30 PM**

End Time: **6:30 PM**

Location: **UNESCO**  
**Stand "Cultivating Water"**  
**Salle des Pas-Perdus (Fontenoy building)**

Representatives of UNESCO's Natural Science Sector, Social and Human Science Sector and UNESCO Etxea-UNESCO Centre Basque Country will relate current discourses on the Human Right to Water and dialogue with the public.

Organized by  
UNESCO's Social and Human Sciences Sector  
UNESCO's Natural Sciences Sector  
UNESCO Etxea-UNESCO Centre Basque Country
